CORONER VIRUS (COVID-19)

I would like to wish all our Vendors, Purchasers, Landlords and Tenants a safe and healthy time whilst we are all self-isolating.

Government Guide Lines have been constantly changing in keeping with the increasing severity of the virus and following the most recent advice from the Government, I have decided to close our office from Tuesday the 24th March 2020 until further notice.

However, I am pleased to confirm that we have over the last few days put in place the relevant facilities and technology for myself and my team to continue to offer a service whilst in self-isolation/social distancing.

We will endeavor to provide the best service we possibly can under the current circumstances.

I would like to reassure our current Vendors and Purchasers that we will use our best endeavors to ensure your property sale completes.

Likewise to our Landlords and Tenants we are still here. Physical visits will be difficult but may be possible in special circumstances, in which case health and safety parameters will be discussed in advance.

Communication lines are open in the meantime and to assist you I have listed below the contact details of each of my team and their relevant department. In the first instance please email any queries/questions.
